SELECTMEN'S REPORT

We hope that this year's report can serve two purposes. First to inform the townspeople of town activities during 1974, and secondly as a means in which to acquaint the people of Troy with the plans we have and the problems we face during the coming year.

At last year's March Town Meeting the townspeople authorized the purchase of a tax map and reappraisal of town property, passage of which we felt were long overdo. We have negotiated a contract with the State of New Hampshire, who will reappraise all town property beginning in March or early April of this year. We have also negotiated a contract with John E. O'Donnell and Associates who will draw up the tax map, which will be completed before January 1, 1976. We hope the people of the town will cooperate with these people and supply any pertinent information which they may require.

Another article approved at the same Town Meeting was the building of a tennis court at the War Memorial site, dedication of which was held in July.

Shortly after Town Meeting, Clarence Abare tendered his resignation as selectmen which was accepted with regret. He has served the town long and faithfully and his services will be sorely missed. To fill the vacancy created, John Callahan, Sr. was appointed.

In June a special Town Meeting was held at which the zoning ordinance and renovation of the Town Hall were approved. In accordance with the provisions of the zoning ordinance a five member Board of Adjustment was appointed. Minor repairs to the Town Hall are already underway, though no major renovations have yet been made.

Looking forward to 1975 we believe the selectmen will have their work cut out for them. In addition to the tax map, property re-assessment and renovation of the town hall, the biggest problem we have to face will be in the area of a sanitary landfill. We must, by State law, discontinue burning at the town dump by July of this year. We have been in contact with the State regarding a possible landfill site situated around our current dump. However, the State temporarily rejected this location. We do plan to explore this site further to see if a landfill is feasible, or if it proves unsatisfactory, we do have other town locations in mind.

During the coming year we plan to hold periodic meetings with town departments, which, we believe, will lead to a better understanding among departments.

Our Town Clerk, Ed Niskanen, has tendered his resignation

effective April 26, 1975. We wish to thank him for remaining on the job during the rush of car registrations during March and April.

An article to be voted on at this year's Town Meeting will be to see if the people will vote to combine the offices of Town Clerk and Tax Collector into a single office. If this article is approved we plan to open an office in Town Hall where one person, working full time, will be available to receive all monies coming into the town. This office to be built from Revenue Sharing Funds as part of the renovation of Town Hall.

The selectmen meet every Wednesday night at 7:00 at the Troy Town Hall. Any town business the people may want to bring up should be presented at that time.

In closing we would like to say that during the past year we have been operating with one selectman who has served only two years of his first three year term and two freshmen selectmen. At times the going, as you can understand, has been a little rough and in this regard may we extend our thanks to the general public and everyone in town government for their cooperation.

TROY WATER WORKS, 1974
ANNUAL REPORT

We the commissioners wish to express our appreciation to the people of Troy for bearing with us for this past year's trials and tribulations. We have made a few improvements in the Troy Water System in the past year.

We were approached by the State of New Hampshire's Highway Dept. and informed of a problem concerning wells on North Main Street. The end result of these discussions was a 1,400 foot extension to our water main on this end of town, which the state paid the installation price of \$11,698.27. The only cost to the Water Dept. was the purchase and installation of two hydrants.

In the coming year, we will be correcting a problem involving water contracts, as we find many families have not filled out a contract and your help in correcting this will be appreciated.

REPORT OF TROY FIRE DEPARTMENT

This year we placed in the Town Warrant an article to adopt Chapter 155 of the Revised Statutes Annotated of the State of New Hampshire relative to Fire Prevention Standards. We feel serious thought should be taken in adopting this article because it will better protect the people.

We also want to thank the Fire Department for the quick response in answering alarms and doing an excellent job.

This year we purchased a portable pump to pump out flooded cellars instead of using a fire truck. This was purchased from the profits of the lawn party. We want to thank the people of the town for making the lawn party a success.

The Engineers want to thank the Boy Scouts for shoveling the hydrants which is a great help to the Department and people of the town knowing they are shoveled when needed.

The Engineers also want to thank the Fire Department and the people of the town in supporting the Fire Department and helping to prevent fires.

"REMEMBER ONLY YOU CAN PREVENT FIRES."

REPORT OF THE TRUSTEES
OF THE GAY-KIMBALL LIBRARY

The Trustees of the library wish to thank all who have contributed assistance and gifts during this past year, particularly the following: Rev. John Prokrifka, Mrs. Catherine Chase, Mr. Clifford Vose, Mr. & Mrs. George K. Ripley, Mrs. Ralph Larrabee, Mr. Donald Limoges.

The McNaughton Service, a current book rental service, has proven to be very satisfactory. This permits the library to have on hand current top sellers at reasonable costs.

A few new periodicals have been added, including Country Journal, Consumers Reports, N. H. Profiles, and American Heritage.

Plans have been made to set up a special shelf for information relating to New England and New Hampshire.

One again the trustees urge the citizens of Troy to make use of the library's facilities which include not only reading matter, but also records, tapes, film strips and other items which can be made available from the N. H. State Library. If you have special requests or ideas for improving the services, please contact the librarians or the trustees.

Never before in the history of this country has there been more conversation about government, police and the police problem. Newspapers have served to dramatize both the extent and degree of criminal acts. Civil rights movements throughout the country have focused an unusual amount of attention upon police, the kind of people they are and the quality of their training. The courts decisions narrowly fixing the limits by which the police may function in regards to Interrogation, Confessions, and arrest. This has caused many to wonder how the police will now get at the truth of a crime. For the first time a great many people appear to be seeing the police force for what it really is: a sensitive, difficult, and crucial municipal service demanding skilled personnel.

Law enforcement is a local government function. The community determines the selection standards for the police department and they do, in most every respect, determine the quality of the police department. In fact, there can be little improvement in local law enforcement unless the local government decides there will be.

Under the authority granted by RSA 105-A:5, the New Hampshire Police Standards & Training Council effective after August 1, 1974 states: No new police officer can be appointed unless such person has satisfactorily completed a preparatory program of police training at a school approved by the council.

A great many communities are finding it difficult to fill vacancies in their police department. This can be related to the fact that it does not hold its own in the competition of an inflationary economy.

It goes without saying that it is only asking for trouble to send a new recruit out on the job without training. On the job training can no longer suffice. Too much knowledge has become available in the area of police technology.

There is also a need for a policeman today to be well briefed in all areas of criminal law. He must know how to deal with the mentally ill and somewhere along the line, he must receive training in the area of human relations for he finds himself in the role of counselor and mediator. He must be skilled in first aid, as he generally is first on the scene of emergencies. Because of the flexibility of an ever changing society these problems are now being passed on to the small slumbering community just beginning to grow.

Human relation problems which have never been touched upon before now require attention. Much of this work has already been started and it is hoped that we may continue in this phase of work. We hope that you as the people of this community will lend us your support and help us to take this "Step in the right direction."

In conclusion, I want to take this opportunity to express my thanks to the Board of Selectmen, other town, county, state officials and the merchants and the citizens of Troy for their cooperation given to this department during this past year.

Respectfully submitted,

Nelson E. LaFreniere
Chief of Police

ANIMAL OFFICER REPORT

A total of 246 animal calls were received by this department and the police department. Of this amount 40 complaints were signed resulting in the issue of 11 Orders to Abate a Nuisance, 28 Orders to Restrain, 7 Court Summons were served, 37 animals were taken to the Humane Society, 65 persons were paid personal visits and 29 strays were picked up. This also covers lost animals, animals hit by Motor Vehicles, animal bites and animals taken home to be picked up by owners.

Official Notice To Dog Owners: To comply with New Hampshire laws, if a dog is three months old or older, he must be licensed on or before April 30 and must wear the license tag at all times. Also he must have a rabies vaccination and tag.

There is a penalty if not paid before June 1st. The law states that whoever keeps a dog contrary to the provisions of chapter RSA 466 may forfeit by fine to the town in which the dog is kept. All dog licenses EXPIRE May 1st. Dog licenses and tags are available from

your town clerk.

Due to many circumstances, a new and stronger approach to enforcing the laws of licenses and control of animals will be conducted through out this coming year.

If any questions in regards to animals should arise, please contact Lawrence Foss, Animal Officer at 242-6605, Nelson LaFreniere, Chief of Police at 242-7992 or the Humane Society at 352-9011.

TROY VISITING NURSE ASSOCIATION

The Troy Visiting Nurse Association has just ended another year of service to people in the Troy-Fitzwilliam area.

The services provided by the VNA include skilled nursing care and treatment and Occupational Therapy for patients after returning to their homes from hospitals. This home care is provided for the convenience of the patients so they do not have to travel to and from a hospital or Doctor's office on "Out-Patient" status. The nurse is instructed by a patient's Dr. as to the care that patient is to get in their home. A fee is charged for this service and in some cases, where warranted, this fee is covered by Medicare or Medicaid.

In accordance with State Public Health policies, visits are also made to individuals at no cost for the purpose of Health Supervision and providing pre-natal, post natal and adult health advice.

Immunization clinics are held every year and are free to pre-school children in the area.

The total number of visits made in the Troy-Fitzwilliam area for the year 1974 is 897. 530 being made in Troy and 367 being made in Fitzwilliam. The number of children taking advantage of the immunization clinic was only 9.

TROY WAR MEMORIAL -- 1974

To the Taxpayers of Troy, New Hampshire:

This past year efforts have been concentrated on improving our facilities at Sand Dam. Hopefully, with proper maintenance, these will serve the townspeople for years to come. The major project was, of course, the two tennis courts and the basketball court. These were financed as follows:

\$7,500	Town Funds
\$5,000	Revenue Sharing
\$9,598	State Matching Funds
\$2,150	Private Donations

Here, again, inflation struck, and a sincere thanks to those interested citizens who came forth with private donations totaling \$2,150 and the donation of labor. These courts were dedicated on July 28. Installation of lighting was completed late in the season.

The Sand Dam building has been renovated and six new steel and concrete picnic tables installed, along with three fireplaces. Again this year, I wish to reiterate vandalism is a serious problem and only costs the taxpayers and shortchanges our children.

Next season, hopefully, your Committee will concentrate on a more diversified program for children, teenagers and adults that will incorporate use of these facilities to their fullest.

To bring this about, I'd like to see a group of mothers whose children participate in the Sand Dam programs actively participate with the Sand Dam Committee. This should encourage new ideas, create added interest, which, in turn, should make Sand Dam a better place. We need enthusiasm, not apathy. And, all program money comes from our tax dollars.

Your 1975 Committee Chairman will be William Matson, Sgt./Maj. Retired, U.S.M.C. Let's give him our support to make the Project a total success.

Respectfully submitted,

Carl H. Patten
Committee Chairman

TROY BOARD OF ADJUSTMENT

Upon passage of the Troy zoning ordinance the Board of Adjustment was formed in accordance with the laws of the State of New Hampshire.

The duties of the Board of Adjustment as mandated by New Hampshire State Law and in accordance with Troy zoning laws are to hear and decide appeals where it is alleged there is an error on a determination made by an administrative official or in enforcement thereof, or to hear and decide special exceptions and variances. Because of special conditions, a literal enforcement of the provisions of the Troy zoning ordinance will result in unnecessary hardship, and so that the spirit of the zoning ordinance shall be observed and substantial justice be done.

Five members were appointed by the selectmen for a term of five years.

Regular public meetings are held on the second Tuesday of the months of April, July, October, and January at 7:00 P.M. at the town hall. Special meetings and hearings will be announced.

Rules of the Board of Adjustment are available at the Selectmen's Office.

TROY PLANNING BOARD

During the past year the Troy Planning Board approved 8 subdivisions in the township. On June 11 a zoning ordinance was voted upon and accepted by the townspeople. The Planning Board has gained much knowledge from the Southwestern New Hampshire Regional Planning Commission during the past year and will continue to do so for the benefit of all the townspeople.

The present members and their terms are:

Robert Eisele	1980
Josephine Audette	1979
Fred Singleton	1978
Edward Lang	1977
Chester Priest	1976
William Syrjamaki	1975
John O'Brien	Selectmen's Representative

The Planning Board regularly meets the first and third Tuesday of each month at 7:30 P.M. in the Town Hall. Residents of the town are always welcome.
